HB 2

1. Motion to request a committee bill to restrict the statutory general fund appropriation for the additional ORP employer contribution for state-funded positions only:

"I move that the Joint Appropriations Subcommittee on Education request a committee bill that would amend Section 19-21-203, MCA to restrict the general fund statutory appropriation to be used for the 1% increase in the employer contribution towards the Optional Retirement Plan only for positions that are funded with state funds."
